

Stage 2 Water Restrictions Residential and Commercial Effective June 20, 2018

The City of Marion has now entered into Stage 2 Water Restrictions. It is crucial that all Marion water customers conserve water regardless of its source and discontinue non-essential water uses.

During the current drought conditions, watering must follow these water use restrictions:

1. All restrictions from Stage 1 are still in effect.
2. Landscape watering with an irrigation system or sprinkler permitted on one day/week on same schedule as Stage I during the hours of 3 a.m. to 8 a.m. and 8 p.m. to 10 p.m.
3. Watering with a hand-held hose, soaker hose or drip irrigation is permitted to maintain trees, shrubs and other ornamental plants on any day between 3 a.m. to 8 a.m. and 8 p.m. to 10 p.m.
4. Filling all new and existing swimming pools is prohibited. Drainage permitted onto pervious surface and only if necessary to repair leaks or remove excess water in order to have water level to maintenance level.
5. Golf courses 30% reduction in replacement of ET rate or 20% reduction if a participant in ISP or not more than 1.4 times base usage. 40% reduction of ET rate or not more than 1.4 times base usage if not participant irrigation between 8 p.m. and 10 a.m. only.
6. Pools must be covered at least 50% when not in use.
7. Installation of non-drought turf is prohibited.
8. Public playing fields-watering permitted only between midnight and 9:00 a.m. to extent necessary to protect health and safety, unless conservation plan approved by City of Marion.

Excessive water usage is prohibited.

The City of Marion will implement restrictions based on the Edwards Aquifer Authority Critical Period Triggers and CRWA. As drought conditions continue, penalties may be issued to customers, who do not follow the water restrictions listed above.

To report water leaks, please call City Hall at (830) 914-2391. For more information on the City's Drought Contingency Plan please visit our website and click on the tab labeled "Ordinances".
